The screenshot shows a file download interface. At the top, it says "File was found and ready to download" and "where to retrieve it". Below this, it identifies the "Fastest Source" as "usenet.nl". There is a "Download" button with a downward arrow icon. To the left of the button, there is a rating of "6.4" with five stars. Below the main content, there is a note: "You need to [log in](#) before you can post comments." At the bottom, there are three navigation links: "Navigation" with a list icon, "Registration" with a document icon, and "FAQ" with a circular arrow icon.
